There's gotta be more, I gotta see it with my own eyes

Em7

Been a cheater, been a thief, yeah I got riches that don't satisfy

CMaj7

I'm undignified, 'cause it don't matter what they think no more

CMaj7

I got a front row seat to something more

Em7

Stuck in a crowd but I've never felt so all alone

Em7

But then he called me out, out on a limb, I'm feelin' so exposed

CMaj7

He said to come down, and in that moment when he knew my name

CMaj7

I knew I'd never, ever be the same

CMaj7

He found me, I found him

G Dsus

He saw me, said I'm worth it

CMaj7

I'd be crazy not to give it all away

G Dsus

'Cause he saved my life and that's worth everything

CMaj7 G Dsus

I'm gonna give it all away

CMaj7 G Dsus

All away, I'm gonna give it all away

Em7

Everything's new, I'm gonna try my best to make it right

Em7

But if I win or if I lose, I've got the only thing that satisfies

CMaj7

If you don't understand, I hope you'll see that it is worth the cost

CMaj7

Compared to knowing Him all else is loss

CMaj7

He found me, I found him

WORK AREA

I had alot of money, but not alot of family..

He spoke to me, and that's enough,
He speaks to the sea and the sea responds

- chief tax collector
- he was rich
- wanted to see who Jesus was
- Jesus told him to hurry and come down
- He hurried, came down, received him gladly
- people grumbled and said he was guest of a sinner
- Gave away half worldly goods
- paid back those he cheated fourfold
- Jesus said salvation has come to this house
- the son of man came to seek and save the lost

**“Cause when I lose
cause when I give it all I’m getting everything
I’d be crazy to not to take this wild grace
I’d be crazy not to take this __ way
I’d be crazy not to give my life away
If you knew me I was lost but now I’m saved
Changed
Call me crazy ‘cause I gave it all away (up everything)**

Cause when I’ve got him I’ve got everything
And I’d do it all again (to follow him)
I was lost but saved
But I was lost and now and I’m ready to
Gotta give it all away to get..it...all.
You gotta give your life away to get it back?
You gotta lose your life to find it
Call me
Price I’m willing to pay

Luke 19

Jesus's invitation to discipleship

Zaccheus:

Despised and hated as a traitor

The chief traitor

I've sold out

I'm not respected by the crowd

But I'm drawn to one who would welcome an outcast

I'm willing to be undignified, it's more than curiosity

I'll lose my dignity to see Jesus

He called me by my name

Will you be a friend to this sinner?

Will you come into my home?

Will you come into the details of my life?

I'll give it all away, because I've been changed.

Grace has changed me, and I'll never be the same.

Will you dwell (1)with me? (2,3,4 1,2)

So. So so. Fa. Mi. Re. So. So. So. Fa mi do

Unlovely and unclean? A cheater and a thief,——

(2,3,4. 1,2,3)

Do. Re. Re. Do. Do

will you dwell (1)with me?

We are formed by our stories

We are formed by our environment

We are formed by our relationships

Whose disciple are you? What is forming you? Who are you becoming like?

Transformed:

We have a come as you are God-not a stay as you are God!

Could I carry on your work in this world?

Swindler has become a son

Defrauder become a disciple

I was seeking

He came seeking
