

## The In-Between (Moses)

Aryn Michelle/Paul Demer 2020

Bm, 4/4, bpm 114

**Bm**

I was born between two worlds

**A Em7**

An outsider on the inside

**Bm**

I've been sheltered but torn apart

**A Em7**

'Cause everywhere I go I'm the enemy

**Em D/F# G**

If I jump into the fight and try to make it right

**G A F#7**

There's only bloodstains and questions left behind

**G A Bm A G**

Would you find me in the in-between when I'm lost and on my own

**G A Bm A Em7**

Would you lead me when I'm wandering, when I'm traveling weary roads

**Em7/G A Em7**

Would you help me find a home?

**Bm**

Starting over, finally free

**A Em7**

But it ain't easy, picking up the pieces

**Bm**

Would you give me another chance

**A Em7**

I'm still tryna find the person I was meant to be

**Em D/F# G**

If you'd open up my eyes and just send me a sign

**G A F#7**

Then I'll jump out of the flames into the fire

## CHORUS

Give me the words when I don't know what to say

**D** **A/C#**

Give me a heart when I'm feeling so afraid

Give me some strength to face another day
